Dated, Mysore, 13th August 1913

From

A. Subramanya Iyer Esquire., B.A.,
Deputy Commissioner, Mysore District.

To

K.R.Sreenivasa Iyengar Esquire., M.A.,
Secretary to the Government of Mysore,
General and Revenue Departments

Sir,

In submitting herewith correspondence ending with French Rocks Division Assistant Commissioner's yadi No.311/4342 dated 4-3-13 re the establishment required for the collection of Baramahya fees in the Seringapatam Municipality, I have the honour to state as follows:-

It is reported that the system of collecting a fee of one anna on every Baramahya chit issued, came into existence as per order No.355 dated 5-11-90 issued by the then Sub Division Officer and that the marginally noted establishment had been entertained for the purpose. The pay of the peons was raised to Rs 5 in September 1903 and the total Establishment charges came to Rs 44 per month.

x 2 mangars on Rs 6/ each
5 Peons on Rs 4/ e
1 Jamadar on Rs 7/-
Total cost per mon Rs 39/-

The irregular practice adopted by the then Vice President in depositing in his name in the Savings Bank the income derived from the above source and in meeting from the amount thus collected the establishment charges was reported to Government in this office letter No.1138 dated 12-6-1905, Government in their Proceedings No.220-17 Ml.622-04-2 dated 6-7-05 ordered the discontinuance of the above unauthorised arrangement and to dispense with the Baramahya Establishment as the same had not been sanctioned by Government, the regular Octroi Establishment being entrusted with this additional work also.

x Sl 0 in 2nd 3
M 622-04

The subject of having a Baramahya Establishment was considered by the Municipal Council at its Meeting held on 16-9-1911 and it was resolved that an Establishment was necessary for collecting baramahya fees, to safeguard Octroi Revenue.

The levee of Parawanga chits is intended to prevent smuggling of goods subject to Octroi duty. It is levied on carts containing such goods which pass through Municipal limits without breaking bulk in the Municipality. The establishment is required to accompany such carts till they pass the Municipal limits so that the payment of Octroi duty may not be evaded by such persons. The list filed in the accompanying records shows clearly how many carts containing Octroi duty leviable articles escaped through Octroi Katte without payment of duty and to what extent the Municipality suffered loss in the shape of Octroi revenue.

The marginally noted details shows the income from the levy of Parawanga fees for three years. The cost of the proposed establishment consisting of 4 peons on Rs 5 each per mensem comes to Rs 240 per annum, and ~~it may be expected that~~ at least ~~that~~ half of the income may be expected. The above income has been realised when there was no separate establishment for the purpose. The entertainment of the proposed establishment will enable the authorities to exercise better supervision in the matter and prevent smuggling and thus larger income may be expected.

I request therefore that Government may be pleased to sanction the above Establishment of 4 peons on Rs 5 each per mensem as resolved by the Municipal Council on 15-2-13. Necessary provision has been made under "A-II 3 (a)" in the current year's budget of the Periyapatna Municipality.

I have the honour to be,

Sir,

Your most obedient servant,

K Ranganadhaiah
